Doomed to failure...

- ▣ 28 Stat 601 Public Printing and Binding Act.
- ▣ Bill introduced in 1892 but did not pass until 1895
- ▣ Directed the Superintendent of Documents to prepare and publish a comprehensive index of public documents
- ▣ The legislation also mandated the publishing of a Catalogue of Government Publications each month...aka the Monthly Catalog.

- ▣ F.A. Crandall, the first Superintendent of Documents
- ▣ Decided the Catalogue would cover documents published during the 53rd Congress—March 4, 1893–
- ▣ Began work on the Catalogue almost three years late
- ▣ By the time the last Catalogue (covering the 76th Congress) was published it was eight years late.
- ▣ The Monthly Catalog became the sole bibliographic record.
